

Price guide for health practices

The following is a price guide only – for full details and descriptions, please refer to the complete tariff.

Tariff SP: Small premises

Effective from 1st November 2008

Applies to: Music use in small premises with up to 30 seats, normally applied to waiting rooms in hospitals and doctors' and dentists' surgeries and take-away outlets with seating.

Summary of royalty charges (before VAT):

Charges are per annum

	TV and/or Radio
Up to 19 seats	£71.14
For each additional seat (up to 30 seats)	£3.58

	Record and/or CD and/or tape player and or video/DVD player (with or without TV or radio)
Up to 9 seats	£71.14
For each additional seat (up to 30 seats)	£7.12

These rates only apply where a PRS licence is applied for in advance of the music use. If a licence is not applied for in advance then a higher rate may be applied (50% increase on the standard rate) in the first licence-year.

NOTE:

This tariff may not cover all uses of music in your premises (or licensable area or event). Other charges may apply under other tariffs.
