

Satellite Radio Questionnaire

The Mechanical-Copyright Protection Society Ltd (MCPS) and The Performing Right Society Ltd (PRS) represent the vast majority of music composers and publishers in the UK and by agreement with overseas societies, most of the world. We issue licences to allow the recording, public performance and broadcast of our members' musical works for most purposes (in accordance with the 1988 Copyright, Designs and Patents Act) and collect and distribute the royalties due to our members.

The MCPS-PRS Alliance manages common activities, services both societies and is jointly owned by them.
